Explore the Future of Energy Storage

Join us for an informative Open House to learn more about the benefits of Battery Energy Storage Systems (BESS) and the potential of South March BESS.

Event Details:

Date: Sunday, February 23, 2025

Time: 1 - 6 p.m.

Location: West Carleton Secondary School
3088 Dunrobin Rd, Dunrobin, ON K0A 1T0

What to Expect:

- ✓ **BESS Overview:** Understand the core technology behind energy storage systems and their applications.
- ✓ **Safety Measures & Best Practices:** Discover the advanced safety features and protocols implemented in BESS facilities to ensure safe operation.
- ✓ **Q&A:** Meet industry experts, ask questions, and gain deeper insights into the future of energy storage in South March.

We look forward to welcoming you and sharing how BESS are helping power a sustainable future.
